

Action taken against HEC IPE Report 2022-23

S. No.	Observation	Action by	Remarks	Status
1	Newly recruited teachers should also be trained about teaching methodologies by a senior faculty member apart from general orientation for improvement of classroom conduct and to create a positive learning environment.	Concerned Dept.	MAJU-QEC addressed this by launching a "3-Day Training of Trainers" program in collaboration with Sindh HEC for its Potential faculty members in Fall 2023. This equipped them to train new teachers about effective teaching and assessment methodologies, fostering a positive learning environment.	Done
2	All the Surveys are suggested to be conducted online and recorded through Web portal for easier access and authenticity.	QEC	MAJU - QEC has adopted the recommended online survey approach using Google Forms for all surveys (alumni, graduates, employers, students, and faculty) and manage data effectively with an Excel dashboard.	Done
3	Contribution of QEC department in National and International Conferences, Seminars or Talks about QA activities to be done and recorded.	QEC	The QEC department actively contributes to national conferences and seminars on QA activities. In fact, QEC held a successful National Seminar on "Quality Assurance and Industry 5.0" led by Dr. Imran Ullah Khan Marwat on April 28th, 2023.	Done
4	Document of Budget allocated to QEC should be prepared and approved every year.	Account Dept.	Already implemented in the QEC Budget Estimation of 23-24.	Done

Date of Approval: February 12th, 2024
