Subject: Zero Visit to Start BS Artificial Intelligence Program at Muhammad Ali Jinnah University, Karachi

Dear Chairperson,

Reference your application regarding the initiation of the BS Artificial Intelligence program at Muhammad Ali Jinnah University, Karachi. Based on the report submitted by the Accreditation Inspection Committee (AIC), I am directed to inform you that approval has been granted for the program by the General Council of NCEAC. The approval allows for the intake of one (01) section with maximum 50 students per year. Congratulations! However, please note that this approval is subject to the submission of a compliance report addressing the shortcomings stated in the report within one month.

The NCEAC highly values the commitment of Muhammad Ali Jinnah University, Karachi towards maintaining high academic standards and fulfilling the necessary requirements for the BS Artificial Intelligence program. The compliance report will play an important role in ensuring that the program meets the specified criteria and is aligned with the accreditation standards of NCEAC, HEC. In case you require any assistance or clarification regarding the compliance report or any other matter related to the program, please do not hesitate to contact us.

Once again, congratulations on this approval. We look forward to receiving the compliance report and working closely with you to establish a high-quality educational program.

Best regards,

Muhammad Jawad Hussain Bukhari
Program Manager, NCEAC
